The National Social Security Fund is a friendly service organization, which exists for the public good. It offers social protection to all Kenyan workers. The Fund provides social security protection to workers in the formal and informal sectors. NSSF registers members, receives their contributions, manage funds of the scheme, process and ultimately pay out benefits to eligible members or their dependants.

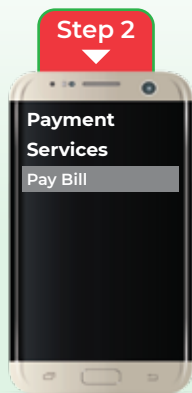

NSSF prudently invests its members' savings in secure, high-yielding investments such as government securities, real estate and shared equities.

You can now contribute **directly** into your **NSSF** account through **M-PESA**. This is a fast, easy and convenient way to increase your contributions through your mobile phone. Simply follow the instructions listed below to do so:
